Our office hours are 7:00 to 4:00, Monday thru Thursday. Friday till noon. We have running displays of most of our Modular Waterfalls and Pond & Garden products. We also have dry set-ups of our Structural waterfalls and a complete inventory of all products we have for sale, plus specialty items like texture mats, waterproofing and acrylic stains.

It's nice being close to the Turnpike and 528 exchange but it is pretty confusing if you don't have a GPS unit. From the convention center/International Drive area take the Beach Line (Bee Line, 528) and take exit 4, go on frontage road to Orange Blossom Trail. The Florida Turnpike takes you to Orange Blossom Trail also. Go north to Landstreet and turn right.

There are numerous hotels on Semoran Blvd and McCoy close to the airport and others on International Drive near the Convention Center.
