	5 Gallon of Rust (NO Sprayer)	\$390.00	
	5 Gallon of Tan (NO Sprayer)	\$390.00	

RicoRock Acrylic Stains are designed to accent the base color of our cast rock; to hide the base colors or patches on older artificial rock it may be necessary to use a masonry paint that has fillers to completely hide the existing base color although it results in a pasty look.

CAUTION: Colors will be stronger when dry, follow directions on bottle and video. To softer strong colors a mist of Tan Stain on a dry surface will help. Strong colors fade faster than light applications.

On foot traffic areas the color will wear off sooner and on older stamped concrete there are often wear issues due to deteriorating mortar or sealers that prevent a good bond.

Use Sealers at your own risk; they may make the surface slippery and re-coloring will be difficult.

**Shipping cost will be added to invoice when ordered is processed.*
